

SAGEANDYLANG

# lip and cheek tint

## HOW TO USE

TIMELESS SHADES

**TO ENSURE YOU'RE GETTING THE BEST RESULTS, HERE ARE SOME TIPS ON HOW TO USE LIP AND CHEEK TINT:**

- 🌟 Tip 1 : Swipe directly on your lips and the plant wax/butter will melt into your lips and allows easier glide across your lips. These tints can be easily layered to achieve the colour you want to achieve. Mix and match your colors and the possibilities are endless!
- 🌟 Tip 2 : Swipe your tint across your cheeks and dab it to blend it out for a natural glow to your face.
- 🌟 Tip 3 :For darker skin tone, Satin Pearl can used as a bronzer. For lighter skin tone, Satin Pearl doubles up as a highlighter.
- 🌟 Tip 4 : Dab some tint on your fingers and tap it across your eyelids for a natural eye shadow.
