revitalising eye serum

FIRM IT UP!

☀️ ALL DAY SKINCARE

HOW TO USE

Use in the day / night after cleansing

1. Apply one drop of Revitalizing Eye Serum onto fingertips and evenly distribute to both index and middle fingers
2. Lifting Motion: Gently smooth over the upper eyelid with your index fingers, lifting the skin from the inner lid outward with a lifting swipe. Do this on both eyes simultaneously.
3. Dark Circle Care: Below the eyes, softly glide your middle fingers from the inner eye area outward with a lifting swipe.
4. Crow's Feet Softening: Softly stroke over the crow's feet with both index and middle fingers, moving from the eye's outer corner towards the temple.
5. You are now ready for the next skincare step.

- For normal to dry skin
- Ideal for both morning and evening use.
