GET YOUR GLOW ON  
☀️ PM SKINCARE ROUTINE

## HOW TO USE

Use in the night after cleansing

1. Press 1 to 2 pumps of serum into your palm.
2. Gently massage it over your face, neck, and décolleté.
3. Follow with your favorite moisturizer

🌟 Tip: For better serum absorption, mist your face with an essence or toner before application. Apply the serum while your skin is still moist.

- For normal to dry skin
- Ideal for both morning and evening use, though especially recommended for night time.
